14th Brno Neurosurgical Days

November 30 - December 1, 2023

Lednice, hotel Galant

www.neurochirurgie-brno.cz

Dear friends,

allow me to cordially invite you to the 14th annual Brno Neurosurgical Days, which will be held on November 30 and December 1, 2023. This year we are returning to South Moravia again. Our conference will be held for the second time at the Galant Hotel in Lednice near Břeclav, in the very center of the Lednice-Valtice area, which has been part of the UNESCO world and cultural heritage since 1996.

The topic of this year's meeting will be neuro-oncology. For this reason, we are very happy that we can also invite our friends, oncologists, pediatric oncologists, radiotherapists and other specialists with whom we continuously cooperate. As usual, the Brno Neurosurgical Days will also include a nursing section.

I am looking forward to our meeting

*prof. MUDr. Martin Smrčka, Ph.D. and collective
Neurosurgical Department of the Faculty of Medicine
of Masaryk University and University Hospital Brno*
